

# LIFE GROUP QUESTIONS:

## Over Faith and Imaginations

---

1. What kind of guy is this Roman centurion (like a sergeant or captain)? If you were writing his resume, what might you include? Why do you suppose he has such confidence in the authority of Jesus?
2. Think about the other healings that Jesus accomplishes in the gospels. What is unique about this one? What is creative and even “imaginative” about the request- “just speak the word” (Matt 8: 8)? Why is Jesus “amazed” (v. 10)?
3. In what ways are imagination and creativity parts of who God is? How do you see this in your daily experience? What might be the barriers set up against us “running with” that God designed imagination that could show itself in stronger faith?
4. What challenged you or encouraged you about Sunday’s teaching? How would you share this with a friend?
